Dear Mr. Duchamp:

I would like to reproduce the works listed below in my forthcoming book,  
CHESS SETS, to be published by Walker and Company,  
New York, as a volume in the Walker Collectors' Pieces Series. Could you please  
let me know if you have available black-and-white glossy prints or color trans-  
parencies of the works and will grant permission to use them. If you have nothing  
suitable for reproduction, could you suggest another source.

This volume is to be published as an international venture; therefore, permission is  
needed to reproduce the illustrations in foreign-language editions of the book as well.

The publisher, of course, will acknowledge the source of the illustrations. In the  
space below could you please give the credit line you wish used and also the full  
title, dimensions, medium, and date of each work.

Please sign and return one copy of this form. Thank you very much for your cooperation.
